LSAC MISSION STATEMENT

The purpose of LSAC is to contribute to and foster the sport of competitive Western show riding through the promotion of an annual, all-breed horse show circuit focused on local participation. LSAC seeks to enhance the opportunities available to riders who want to improve their equestrian skills and their ability to exhibit good horsemanship, while improving their abilities to exhibit poise, athletic achievement, and a positive spirit of competition in the horse show arena. LSAC encourages charity and leads by example through generous support of Ride to Fly.
